Embracing Gratitude & Thankfulness
Saturday, March 29th, 9:15am - 12:30pm
Guest Speaker: Jessye Wilden

The bestselling author of “*We Wrote Your Name in Color*” host to the heartfelt podcast, The Modlen Cast and experienced grief coach. Jessye continues to write and speak to groups using her unique perspective and exciting storytelling to help others hold onto gratitude when life hurts the most.

Gratitude is a profound and essential theme throughout the bible, it is the expression of thankfulness and appreciation towards God and others. It is the response to the recognition of God's grace, mercy and blessings in one's life. The Bible encourages believers to cultivate a heart of gratitude, which is both a command and a natural response to God's goodness. A believer's thankful attitude can be a compelling witness to the transformative power of the Gospel.

From the Payne's- Wycliffe Missionaries

REQUESTS FOR PRAYER This past week, 17 Christians from the US were arrested in N* for promoting Christianity. Please pray that Laura and I won't have any security issues this trip as we train Bible translators and check their translations. We'd also appreciate prayers for health. We have heard there is a lot of sickness right now among the various translators, and there will be about 25 of us crammed into a relatively small classroom for the three-week translation workshop.

Pastor Bill is hosting Gateway Class in his office during the Sunday School hour next week. If you are interested let him know.

BAPTISM

We encourage all those who have received Christ as their Savior by faith and want to be baptized to contact Pastor Bill at 530-938-2860.
